Domingo Gutierrez, Vice Principal

December 8, 2016

Dear Parents,

Our school priority is always to ensure the safety of all our students. In an attempt to improve traffic flow during drop off and pick up times, we will have some changes. There will be no West bound traffic on Hutchins from Mango Street to Garnett Street. East bound traffic on Hutchins will be used for student drop off and pick up. Parents will also be able to use the rear parking lot located in between Terrell Wells Middle School and McCollum High School for drop off and pick up as well. This will reduce the number of cars on Hutchins and allow a continuous flow. If you have any questions, please feel free to call the school at 989-2600.

Thank you for your cooperation in ensuring your child's safety.

Mr. Noverto Gonzales
Academic Dean
